

Power Products, LLC Acquires Lenco Marine on Dec 15, 2016

Menomonee Falls, WI:

Power Products, LLC announces its acquisition of Lenco Marine. Based in Stuart, FL, Lenco Marine is a recognized leader in the design and manufacture of trim tabs, actuators, hatch lifts, accessories, and the AutoGlide automatic trim tab control system.

“Lenco Marine is a recognized leader in innovation, product quality, and customer service in the marine industry since its founding in 1986”, said David Scheer, CEO-Power Products LLC. The acquisition of Lenco Marine greatly strengthens our Marine Division.”

Chris McClain, Division President – Power Products Marine added, “Lenco Marine has built a tremendous reputation in the Marine Industry. Their core values are an ideal fit with our philosophy of providing innovative solutions.”

Lenco Marine co-founder Richard DeVito commented, “We are very pleased to partner with Power Products as we take Lenco Marine to the next level of growth. Power Products is the industry leader in marine electrical products and systems, and we view this as a great strategic fit for our customers and employees.”

Lenco Marine will continue to operate in Stuart, FL under the current leadership team as the new partnership works together developing world-class products and solutions for the benefit of our mutual customers.
